# If You Can Draw It, We Can Build It

SetSource® Custom IV Sets delivers product quickly!  
Our “real time” system creates and delivers your custom-configuration order – large or small – in about three weeks.

- Within 2-3 days – detailed design drawings and price quote
- 5 days later – non-sterile prototype set for your review and approval
- 21 days after purchase order is issued – shipment of sterile product

SetSource provides an easy program of ordering and reordering.

- One-case minimum orders
- No mandatory reordering policy
